- In order to teach dance effectively it is sometimes necessary to demonstrate using physical contact to clarify verbal instructions.
- Permission is required for photography and videoing during open day, shows, workshops, classes, and school displays and these can be used for the website and advertising.
- It is very important for insurance purposes that all children attending the school do not trespass on any part of the school's premises (inside or out). They are allowed in the hall, dance studio, reception, changing room for changing and the toilets only and parents will be held responsible for any children who fail to adhere to this. It is essential that all children are collected promptly at the end of the classes.
- RBS&PA will not be held responsible for any damage or injury, however caused, to any person attending classes, nor the loss of any property.
- Notice of six weeks must be given if leaving the school, in order to terminate this agreement. Fees will still be due even if the student is unable to attend class until the completion of the notice period. Fees will not be refunded if a student decides to leave during the course of the term, unless a student has to leave for medical purposes (a Doctor's letter will be required in these circumstances).
